OFFICE MEMO

February 22, 1988

TO: T. A. BRYANT, II
DEPUTY STATE ENGINEER
HIGHWAY OPERATIONS

FROM: DAN R. POWELL
DISTRICT ONE ENGINEER

RE: EL MIRAGE INTERGOVERNMENTAL MAINTENANCE AGREEMENT
TERMINATION

Reference is made to a letter from R. W. McComb, City Manager of the City of El Mirage, to Charles Miller, Director of ADOT, relative to cancellation of Roadway Maintenance Agreement No. 79-429, which was excuted and filed with Secretary of State on June 27, 1979.

It is noted that by memo of September 8, 1987, that James McGee, then the Deputy State Engineer of Highways, notified Rose Mofford, Secretary of State of the City's intent to cancel.

Further reference is made to paragraph 8 of the subject agreement which provides for it's renewal or cancellation. As therein stated the agreement is automatically renewed for five years unless either party gives notice in writing in not less than 30 days or more than three months prior to the initial or renewed expiration date. By definition this agreement was automatically renewed on June 27, 1984. The current expiration date is therefore June 27, 1989, which will be the effective date of this agreement resulting from the notice to cancel tendered by the City of El Mirage on September 8, 1987.

This memo is submitted in order to avoid any possible confusion regarding the current status fo this agreement between ADOT and the City of El Mirage.
